LOOSE LEAF TEA MENU

Green Tea

Green Tea

Green tea offers many different leaf styles and singular flavor characteristics. In the cup a simple green tea can be reminiscent of honey, and lightly salty sea spray, a gentle breeze passing through a stand of Pines, or pure water washed over stones in a stream. These transitory tastes are accompanied by sweet smelling aromas that are refreshing delicious and uncomplicated.

JASMINE WITH FLOWERS

The Jasmine with Flowers Green Tea blend from English Tea Store is a steamed green tea which produces a surprising body and a captivating floral taste that is not found in any other natural tea. Jasmine tea is one of the most pleasant tasting green teas available on the market. On the nose the dry tea has a floral bouquet which literally causes your senses to come alive with pleasant thoughts. The flavor is enhanced with the addition of jasmine blossoms which give the tea a visual appeal few other teas are capable of copying.
